

Envista Introduces New Non-Profit Foundation "Envista Smile Project"

BREA, Calif., July 14, 2021 /[PRNewswire](#)/ -- Envista Holdings Corporation (NYSE: NVST) ("Envista") today introduces a new non-profit, oral health foundation Envista Smile Project, which was formed by Envista and for which Envista is a substantial contributor. Envista Smile Project is currently in the process of applying for Section 501(c)(3) status.

Envista Smile Project is a philanthropic foundation designed to improve the smiles and oral health of disadvantaged communities by supporting increased access to oral care and oral health education. The Project's mission is to collaborate with dental professionals and Envista employee volunteers to donate products, treatment, and oral health education to communities in need around the world.

Amir Aghdaei, Envista CEO and Envista Smile Project Chairman said, "Envista Smile Project is about creating access to oral care for those in need. This is an important way that we can give back to the world and help to improve people's quality of life."

Rubin Casas, Envista Smile Project Board President and Envista Communication & Event Specialist said, "At Envista we pride ourselves on partnering with dental professionals and serving as a champion to these creators of confidence. However, we realize that not everyone in the world has a champion. We know firsthand how devastating poor dental health can be, and the emotional toll can be even worse. That is why we created Envista Smile Project. At Envista Smile Project we make it our mission to provide oral care to disadvantaged communities around the world, and that gives us even more

reason to smile."

FORWARD-LOOKING STATEMENTS

Certain statements in this release are "forward-looking" statements within the meaning of the federal securities laws. There are a number of important factors that could cause actual results, developments and business decisions to differ materially from those suggested or indicated by such

forward-looking statements and you should not place undue reliance on any such forward-looking statements. These factors include, among other things, the impact of the COVID-19 pandemic, the conditions in the U.S. and global economy, the markets served by us and the financial markets, the impact of our debt obligations on our operations and liquidity, developments and uncertainties in trade policies and regulations, contractions or growth rates and cyclicalities of markets we serve, fluctuations in inventory of our distributors and customers, loss of a key distributor, our relationships with and the performance of our channel partners, competition, our ability to develop and successfully market new products and services, the potential for improper conduct by our employees, agents or business partners, our compliance with applicable laws and regulations (including regulations relating to medical devices and the health care industry), the results of our clinical trials and perceptions thereof, penalties associated with any off-label marketing of our products, modifications to our products that require new marketing clearances or authorizations, our ability to effectively address cost reductions and other changes in the health care industry, our ability to successfully identify and consummate appropriate acquisitions and strategic investments, our ability to integrate the businesses we acquire and achieve the anticipated benefits of such acquisitions, contingent liabilities relating to acquisitions, investments and divestitures, significant restrictions and/or potential liability based on tax implications of transactions with Danaher, security breaches or other disruptions of our information technology systems or violations of data privacy laws, our ability to adequately protect our intellectual property, the impact of our restructuring activities on our ability to grow, risks relating to currency exchange rates, changes in tax laws applicable to multinational companies, litigation and other contingent liabilities including intellectual property and environmental, health and safety matters, risks

relating to product, service or software defects, risks relating to product manufacturing, commodity costs and surcharges, our ability to adjust purchases and manufacturing capacity to reflect market conditions, reliance on sole or limited sources of supply, the impact of regulation on demand for our products and services, labor matters, international economic, political, legal, compliance and business factors, and disruptions relating to war, terrorism, widespread protests and civil unrest, man-made and natural disasters, public health issues and other events. Additional information regarding the factors that may cause actual results to differ materially from these forward-looking statements is available in our SEC filings, including our Annual Report on Form 10-K for fiscal year 2020 and our Quarterly Reports on Form 10-Q. These forward-looking statements speak only as of the date of this release and except to the extent required by applicable law, we do not assume any obligation to update or revise any forward-looking statement, whether as a result of new information, future events and developments or otherwise.
