

Envista Renews Commercial Partnership with Vitaldent Group

BREA, Calif., Feb. 7, 2022 /[PRNewswire](#)/ -- **Envista Holdings Corporation** (NYSE: NVST) announced that it has renewed its partnership agreement with the Vitaldent Group, a leading Spanish Dental Service Organization (DSO). Vitaldent is dedicated to providing quality, accessible odontology to patients using the most advanced technology, best treatment, and professional care. This agreement positions Envista as the preferred supplier of implants (Nobel Biocare) and clear aligners (Spark).

Vitaldent has been working with Nobel Biocare and Ormco since 2009 and 2011 respectively. This agreement reaffirms the commitment of Vitaldent's network of clinics to provide the highest quality products, services and safety in all treatments.

Javier Vidal, Vice President Nobel Biocare, said, "While Vitaldent continues successfully executing their strong growth and developments plans, they remain focused and always committed on delivering our common target of achieving the best possible clinical outcomes for patients. For Vitaldent, a key driver to accomplish this purpose has always been to introduce the most innovative technologies and latest and more advanced dental treatments available in the dental industry. We are proud to extend our existing partnership for the next three years as the preferred supplier in the implant field, providing Nobel Biocare's latest products and services to ensure the highest quality of dental care in the dental offices."

Juan Maria Diaz de Pablos, Sales Director, Ormco said, "We are pleased to add the Spark clear aligner product line to our existing orthodontic product agreement. Spark leverages the latest innovations in clear aligners that are clearer, more comfortable, and stain less."

Vitaldent's Medical Director, Clara Esteban, stated, "This agreement reinforces Vitaldent Group's commitment to the quality of all materials used in its treatments, as well as the company's efforts to create solid and stable relationships with leading suppliers in the oral health sector."
