

## **Envista and dentalcorp Announce Strategic Implant Partnership**

BREA, Calif., July 28, 2022 /[PRNewswire](#)/ -- Envista Holdings Corporation ("Envista") announced today an extension and expansion of their commercial partnership with dentalcorp Holdings Ltd., Canada's largest DSO, network of dental practices.

Since dentalcorp's founding in 2011, Nobel Biocare, an Envista company, and dentalcorp have invested resources to expand implant treatment capabilities to each of dentalcorp's 500+ supported practices. Together, Nobel Biocare and dentalcorp have trained hundreds of clinicians and created a network that offers the latest tooth replacement solutions from Nobel Biocare. This partnership extension further strengthens dentalcorp's ability to provide the highest quality of care to its patients.

Amir Aghdaei, CEO Envista, said, "We are thrilled to be dentalcorp's preferred dental implant provider. Implants are one of the fastest growing segments in dentistry and dentalcorp is a well-respected and growing provider of dental implant treatments. We look forward to strengthening our partnership with this leading DSO. dentalcorp's focus on supporting clinicians at every step in their professional career aligns well with Envista's purpose of partnering with dental professionals to improve lives. This partnership further accelerates our journey to digitize, personalize, and democratize the dental industry.

"Patients are looking for more specialized care from their trusted oral health care provider and Nobel Biocare is a leading innovator of implant-based dental restorations," says Guy Amini, President, dentalcorp. "Our teams work every day to advance every aspect of our patients' oral health and well-being and when looking at implant partners, Nobel Biocare stood out for its delivery of next-level support with an unmatched commitment to our success."

Through this partnership, Nobel Biocare will offer unparalleled support to dentalcorp's network of over 1,500 dentists, will help enable dentalcorp's fast-paced expansion, and will improve access to best-in-class dental implant treatment services for Canadians.
